Adapter Plates (Mounting Plates) FN Plate

The FN Plate (Part # 155987001) is made of brass and fastened to the end of a MD Series Type FN interlock to allow alternative mounting scenarios (see MD Series Data Sheet 1.7). The thickness of the FN Plate is 1/4". To order this plate with your MD Series Type FN interlock, put the letter "P" in column fourteen of the interlock part number - reference the MD Series Ordering Guide. The plate (when ordered) will be bolted to your Type FN interlock.

NOTES:

- .406" (10.32mm) dia. holes for mounting bolts (2 holes).
- When ordering the FN Plate, consider adding 1/4" to the MD Series Type FN locking bolt length to compensate for the thickness of the FN Plate.
